Join Lean Enterprise China, Staufen and Suzhou Lean Six Sigma for a one day training that will introduce you to the **Toyota routine** to learn about continuous improvement.

Description

Improvement Kata and Coaching Kata are a systematic approach primarily intended to develop people's capability for improvement and leadership by the means of consistent daily practice. Kata means way of doing, pattern or routine that over repeated practice becomes a second nature. Coaching Kata is the way to develop the leaders as internal coaches to teach the improvement kata every day, so that the expansion of kata "method" can be generated and a new culture reached in the whole company. The daily practice of improvement kata and coaching kata is done to develop people's skills so that they solidly achieve improvements in the processes, either at the shop floor (production), indirect areas or services.
